AGUE AND FEVER

CHILLS AND FEVER.

The proprietor of this celebrated me iicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families Southern Express Company have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been cheeked, more especially in difficult and long standing cases. Usualty, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a catharrie medicine, after having taken three or four doses of the Tonie, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.
